Applications DUE Sunday April 1st

Email completed application to: info@spartanskiclub.com

What does it mean to be a junior officer? The duties and responsibilities it involves...?

A Spartan Ski Club Officer is a person who demonstrates an unbridled and eternal love for all that is Spartan Ski Club (SSC). SSC is a social organization for Michigan State's skiing and snowboarding community and friends. The club offers a variety of activities including ski trips, tailgates, parties and sporting events. The job of a Ski Club Officer is to carry on the SSC traditions and popular activities as well as to discover new and exciting ones for centuries to come. For consideration as an SSC Officer, strong organizational and business senses are a must. Ski Club is a professionally managed club and its strength and survival depend on its officers' ability to perform a first-rate job for our past, present, and future members.

Plan on spending about 15-20 UNPAID hours per week with us as a Junior Officer. This is REQUIRED of ALL Junior Officers. There are a lot of good times that go with being an Officer but realize there is a lot of hard work too. If you feel that you have what it takes to do the job, please continue with the application. Be warned, if you attain the position you will join the ranks of Spartan Ski Club as a

PROBATIONARY JUNIOR OFFICER for the forthcoming school year. Once you are in, you can just as easily be kicked out.

By signing below, I do not hold the Spartan Ski Club liable for anything they may have done in the past, or anything planned or unplanned that they may or may not do in the future. In the event that I do become an officer, I will not speak to anyone about the duties that I perform, any confidential information discussed, nor will I reveal the secret Spartan Ski Club handshake.

You park the submarine behind a large kelp and use your sea binoculars to see where Danny DeVito is imprisoned...You spot him chained to King Atlantis's throne, and he looks tired, weak, starved, and he is dressed in a pink thong that's obviously chafing the shit out of his thighs. You then put on your scuba gear to save our precious Danny DeVito. In your backpack you have packed the following items to help you on your quest:
